

## GOVERNMENT ENGINEERING COLLEGE IDUKKI

### Student Induction Programme 2022

Our first year classes commences on 26th of October 2022. AICTE prescribes a mandatory 'Induction Programme' to be conducted at each institution before the commencement of the regular classes. The Purpose of the Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, set a healthy daily routine, help them build bonds with other students and faculty members, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature and expose them to a sense of larger purpose and self-exploration. In this connection, a three day long induction program is arranged for the first years commencing from 26<sup>th</sup> to 28<sup>th</sup> October 2022. The detailed schedule is given below.

**Venue: Open air auditorium**
